Course Outline

Note: This course outline is subject to change and the updated version will be found on the Royal West Academy Website and in Google Class

Course:	Mathematics 506 Science Option	
Teacher:	Dagmar Hipfner	Room: 303
E-mail:	dhipfner@emsb.qc.ca	
Texts/workbooks:	Math Help Services Online Resources & Course packs provided by the teacher,	
Course description:	Science Math is a grade 11 reform course that includes the following topics: Vectors, Functions, Linear Optimization, Conics	
Remediation:	Day 1 and Day 3 at lunch starting at 12:34 and day 5 before school (8 am)	

Materials Required: spiral bound notebook (best: graph paper) or duo tang with loose leaf paper; duo tang or binder for hand-outs; scientific calculator; **ruler**; writing material.

Communication with Students/Parents: I communicate by email most of the time. You can always send me an email if you have questions or concerns and I will reply as soon as possible. As important information will be sent, it is strongly recommended that parents/students regularly check their emails. Students must keep up to date with their Teams Classroom account. The results of important evaluations will be posted in Mozaik to keep parents informed of their child's progress.

Evaluation

Term 1 (20%) - September 2 to November 4		
Competencies Targeted	Evaluation Methods	Timeline
Competency 2: Uses mathematical reasoning	Class Tests Assignments	About once every 2 weeks (3 to 4 per term) Generally due 1 or 2 days before tests
Term 2 (20%) - November 5 to January 27		
Competencies Targeted	Evaluation Methods	Timeline
Competency 2: Uses mathematical reasoning	Class Tests Assignments	About once every 2 weeks (3 to 4 per term) Generally due 1 or 2 days before tests
Competency 1: Solves a situational problem	Learning and Evaluation Situations Mid Term Exam (50% of term)	About two or three during the term January
Term 3 (60%) - January 28 to last day of classes		
Competencies Targeted	Evaluation Methods	Timeline
Competency 2: Uses mathematical reasoning	Class Tests Assignments	About once every 2 weeks (3 to 4 per term) Generally due 1 or 2 days before tests
Competency 1: Solves a situational problem	Learning and Evaluation Situations	About two or three during the term

End of the Year Results

Competency 1 (30% of final math mark)				
Term 1	Term 2	Term 3	=	100% of Final C1 Mark
20%	20%	60%		

Competency 2 (70% of final math mark)				
Term 1	Term 2	Term 3	=	70% of Final C2 Mark
20%	20%	60%		
EMSB Final Exam (June)			=	30% of Final C2 Mark

Additional Information / Specifications

Absent from class: Students will be given a course pack with notes and examples. Students are responsible for contacting the teacher or his peers for material covered when he/she/ they is/are absent from class and attending remediation if necessary.

Absent for a test: If a student is absent for a test, a note explaining the absence from the evaluation may be required when the student returns to school. A student who is absent because of an ECA activity must notify the teacher ahead of time. Repeated absences will be reported to the administration. ****All missed tests will be rewritten at the teacher's convenience. It is the student's responsibility to contact the teacher.** ** If the following procedures are not followed a mark of 0 may be given for the test or evaluation.

Absent on a day an assignment is due:

- Students must contact the teacher as soon as possible (email or through TEAMS platform). An arrangement will be taken on a case by case basis at the teacher's **discretion**. If it is a planned absence, hand it in before the due date.
- Late assignments: Students will not be allowed to view the correction period of that assignment and may lose 20% per day that it is late.

Remediation: If results show that a student is experiencing difficulties, he/she may be obligated to attend remediation.

Math Help Services: Each student will have an account. They can view tutorials on subjects learned in class and may be assigned video tutorials and online assignments.

Math resources

- <http://www.khanacademy.org> → A website containing small videos on many different subjects, including mathematics.
- <http://learnquebec.ca> → An online website including slide shows on many different subjects and online tutoring. You need a password, provided by the homeroom teacher or the administration. There are also online tutoring sessions.
- <https://www.cemc.uwaterloo.ca/courseware> → It contains excellent math videos and practice exercises.
- Peer tutoring: A tutoring service organised by Mrs. DiPietro (room 226) where students tutor other students.

Google Classroom

- All important information about course outlines, assignments, completed class notes, tests and communication with the class will be done through Google Classroom.
