

Royal West Academy

Course Outline

Course: **Enriched Biology**

Teacher: Marie-Alessia Zuccaro

Room: 301

E-mail: mzuccaro@emsb.qc.ca

Texts/workbooks: Course Notes provided by teacher

Course description:	Students will explore a series of units which will introduce them to a wide range of areas in biology (eg. protein synthesis, genetics, classification of living organisms and the study of marine life). Learning will involve class work, lab experiments, projects, quizzes and tests.
---------------------	---

Remediation: Day 2 from 7:30 AM to 8:25 AM and Day 6 at lunch in room 301

Materials

Binder for handouts, pens, pencils, ruler, coloured pencils and eraser

Google Classroom Code

Evaluation

Term 1 and Term 2 (20% each)		
Competencies Targeted	Evaluation Methods	Timeline
<p>C1: (Practical)</p> <ul style="list-style-type: none"> Seeks answers or solutions to problems involving biology and communicates ideas relating to questions involving biology, using the languages associated with science and technology 	Lab Reports	2-3 reports/Term
<p>C2: (Theory)</p> <ul style="list-style-type: none"> Makes the most of his/her knowledge of biology and communicates ideas relating to questions involving biology, using the languages associated with science and technology. 	<p>Quizzes and Tests</p> <p>Projects/Presentations</p>	<p>2 - 3 tests/Term</p> <p>1-2 per term</p>

Evaluation (continued)

Term 3 (60%)		
Competencies Targeted	Evaluation Methods	Timeline
C1: (Practical) <ul style="list-style-type: none"> Seeks answers or solutions to problems involving biology and communicates ideas relating to questions involving biology, using the languages associated with science and technology C2: (Theory) <ul style="list-style-type: none"> Makes the most of his/her knowledge of biology and communicates ideas relating to questions involving biology, using the languages associated with science and technology. 	Lab Reports Quizzes and Tests Projects/Presentations <ul style="list-style-type: none"> Marine biology Project 	2-3 reports 3-5 tests 2-3 projects

END OF YEAR RESULT							
Term 1 20%	+	Term 2 20%	+	Term 3 60%	=	100%	No School Exam %

100% (school mark) = END OF YEAR RESULT

Additional Information / Specifications

- 1) If a student misses a test it becomes his/her responsibility to advise the teacher and schedule a re-write. A student who does not make proper accommodations for a test will receive a grade of zero.
- 2) All corrected materials will be handed back to students. Grades will also be posted on Mozaik.
- 3) Failure to submit assignments and lab reports on time will result in a decrease of 10% per day.
- 4) Plagiarism, which may include copying another person's work (e.g. a lab report) and cheating on a test, results in an automatic mark of zero. Read the Student Handbook for more information about the school's plagiarism policy.

Remediation Schedule

Day 2 from 7:30 AM to 8:25 AM and Day 6 at lunch in room 301
