Additional Information / Specifications

- The majority of all written assignments for this course will be completed in class (outline, rough, peer-editing, and final draft) under the supervision of the teacher. All components of the writing process (outline, rough work, peer-editing) must be re-submitted with the final draft. Outlines and rough work may be brought home only with the teacher's permission.
- Late /incomplete assignments (including missed presentations) penalty: 10% per day.
- Students must provide appropriate **written justification** (note from parent to the teacher) for any missed evaluation (such as a test or presentation) or for having missed a major due date (such as for an essay or project). **You must be prepared to complete the work upon your return; if you miss the makeup evaluation you will get a zero. The note must stipulate that parents/guardian are aware of the missed evaluation.**
- Group work: Every group member is responsible for the work handed in.
- Plagiarism or cheating results in a mark of zero for the student(s) involved. Please see the student handbook for more detail. Teachers reserve the right to discuss student work with students in the event that the integrity of their work is in question (ie. if uncited sources including AI tools could have been used to generate work).
- If you're absent, it is your responsibility to check Google Classrooms for updates.
- Students are encouraged to read independent material when there is no other homework assigned.
- Plastic baggies (ex: Ziploc) may be required to keep school novels in good condition.
