**END OF YEAR RESULTS****Additional Information / Specifications****Message to students and parents:**

Attendance in class is very important as films will be shown in class and discussion and analysis will follow. It is the student's responsibility to catch up on any missing work, including watching the films. Students are expected to work to the best of their abilities.

For the final film project, it is important to realize that producing a film, even a short film, is very time-consuming and difficult. Organization, planning, and communication are key.

Late/incomplete assignments will incur a penalty of 10% per day.

Plagiarism or cheating results in a mark of zero given for the assignment for all involved. Please see the student handbook for more details.
