

Royal West Academy

Course Outline

Course:	Chemistry 534				
Teacher:	A. Liscio	Room:	307		
E-mail:	aliscio@emsb.qc.ca				
Text Book	Quantum Chemistry				
Course description:	The chemistry science program is an introduction to the kind of theory and lab work that students will be seeing in future chemistry courses in CEGEP and university. Classes will include: lectures, project based learning, discussions and lab work. The following modules will be completed: 1. Review: Nomenclature, significant figures, stoichiometry 2. Gases and their Applications 3. Energy in Chemical Reactions 4. Rate of Chemical Reactions 5. Equilibrium in Chemical Reactions				
	6. Extra topics: Limiting Reagents, Orbitals, Electrochemistry				

Materials

- Binder Section for storing chemistry notes and handouts
- Plastic duo-tang for labs

• Pens, pencils, non programmable calculator, ruler

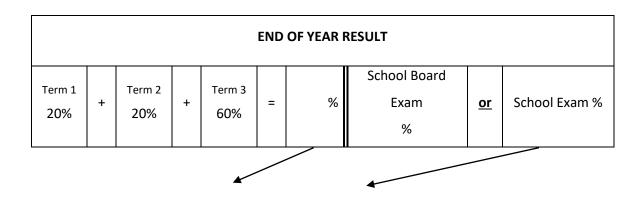

Evaluation

Term 1 (20%)					
Competencies Targeted	Evaluation Methods	Timeline			
Seeks answers or solutions to problems involving chemistry and communicates ideas relating to questions involving chemistry, using the languages associated with science and technology Theory Makes the most of his/her knowledge of chemistry and communicates ideas relating to questions involving chemistry, using the languages associated with science and technology	Lab Reports Tests, Quizzes, Assignments, projects Note: Lab reports will be evaluated but will only be displayed on term 2 report card	~ 2-3 reports ~ 2-3 tests ~ 1-2 assignments 1 project			

2024-2025

Term 2 (20%)				
Competencies Targeted	Evaluation Methods	Timeline		
Practical • Seeks answers or solutions to problems involving chemistry and communicates ideas relating to questions involving chemistry, using the languages associated with science and technology Theory • Makes the most of his/her knowledge of chemistry and communicates ideas relating to questions involving	Lab Reports Tests, Quizzes, Assignments Midyear Exam	~ 2-3 reports ~ 2-3 tests and quizzes		
chemistry, using the languages associated with science and technology	-			

Term 3 (60%)					
Competencies Targeted	Evaluation Methods	Timeline			
Seeks answers or solutions to scientific or technological problems and communicates in the language used in science and technology	Lab Reports, Tests, Quizzes, Assignments, Projects	~ 3-4 reports			
Theory Makes the most of his/her knowledge of science and technology and communicates in the language used in science and technology		quizzes 1-2 assignments 1 project			

Theory: TBD% (school mark) + TBD% (exam mark) = END OF YEAR RESULT

Additional Information / Specifications

- 1) If a student misses a test it becomes his/her responsibility to schedule a re-write the day they return. The student will be asked to submit a <u>valid note</u> for her/his absence on the day of the test. Failure to submit a valid note may result in a mark of zero.
- 2) Failure to submit assignments and lab reports on time will result in a 10% (minimum) mark penalty per school day.
- 3) Plagiarism, which may include copying another person's work (e.g. a lab report) and cheating on a test, results in an automatic mark of zero. Read the Student Agenda for more information about the school's plagiarism policy.
- 4) Students are required to use non-graphing calculators during all tests.
- 5) Students will be required to complete a science fair project(the project mark will be part of the term 3 lab mark)

Communication:

- Students will be receiving a progress report (October) and three report cards (November, March and June)
- Course updates, materials, answer keys and other important information will be made available to students via **Teams**. Assignments will also be submitted using this platform.
- Please feel free to contact me either by email or phone if you have any questions or concerns.

Remediation Schedule

Day 1: Lunch Day 4: Lunch

Important note to students and parents/guardians regarding course outlines:

Please note that the information on this outline may need to be modified as the year progresses. Rest assured that any changes made will be done so to reflect what we feel is best to maximize student success.
