

## **Royal West Academy**

Course:	Secondary V Music (Sound Engineering – Section 2-61) – Science Stream			
Teacher:	Ms. Ginette Purdy	Room: 106		
E-mail:	gpurdy@emsb.qc.ca			
	This project-based course will explore the creation and the recreation of			
	sound. Students will learn about live and studio recordings and how to			
	manipulate sound through equalization, compression, reverberation and			
	pan. Using software and hardware provided by the school, along with their			
	own acoustic instruments and digitally sequenced sounds, students will			
Course description:	make multi-track audio creations along with sound for video. In order to			
	gain musical literacy, students will explore various elements of musical			
	analysis that will include: form, style, structure, tonality and meter.			
	Students will explore their own musicality thro	ough song creation and		
	performance.			

Software Tools: Apple Garageband, MS TEAMS

<u>Hardware Tools</u>: Apple MacBook, M-Audio MobilePre Interface, Dynamic and condenser microphones, head phones

Eval	uation
_	

Terms 1 and 2 (20%), Term 3 (60%)				
Competencies Targeted	Evaluation Methods	Timeline		
Creates and Performs Musical Works Listens and Appreciates Musical Works	Projects, assignments and quizzes	By due date		
Communication to Students and Parents	Materials Required			
Communication from teacher to student will take place in person or through MS Teams. Communication with parents will be done through the Mozaik portal.	<ul><li>Earphones or ear buds</li><li>Acoustic instrument</li></ul>			

END OF YEAR RESULT							
Term 1		Term 2		Term 3		1000/	
20%	+	20%	+	60%	=	100%	

There are no formal examinations in this course.

Term marks are based on written evaluations of individual and group recording and editing projects including live recording and editing.

Work should be done IN CLASS. Students are expected to use class time wisely to minimize the need for equipment during remediation hours. Deadlines are to be respected. Late assignments will be penalized according to rubric guidelines. Please refer to the school policy on plagiarism.

Remediation Schedule (room 108)		
Lunches on Tuesdays and Thursdays and Fridays at lunch by appointment only	Time 12:30-1:10	

I have read, understood and agree with the course outline and evaluation scheme for Secondary 5

Sound Engineering. I am aware that all assignments will be posted in TEAMS as will grades and

comments for each assignment.
